Class 9 went to Tower Bridge

The best part was  
Walking on the glass floor

The engine room was  
so much fun!

# Class News

The KS4 Geography option group took part in a 'Rock the house' workshop at The Natural History Museum! We used a seismometer to record the impact of our jumps! We used custard powder to make magma. We saw some scary films of a tsunami! We learnt that dangerous things can happen at plate boundaries.

## Important Information

The parent consultation morning for the Barnet Autism Free School was well attended, with positive comments and feedback during and after the meeting.

It was announced that the name of the school will be
